Attention: Stephanie Altig

Dear Ms Altig:

I am surprised to learn that you didn't receive our completed questionnaire regarding Alaska – Idaho concealed firearms permit reciprocity. I received your letter dated July 1, 2014, and responded through the mail on July 14, 2014. With this letter I will send the response again.

Alaska statutes recognize a valid Idaho Concealed Weapons Permit as equal to an Alaska Concealed Handgun Permit. Both the original concealed weapons permit and the new enhanced permit are recognized. However, Alaska statutes do not allow a person under 21 years old to carry a firearm concealed, and the Alaska permit holder must be at least 21 years old. An Idaho concealed weapon permit issued to a person under 21 years old is not valid in Alaska.

If you have any questions or comments, please contact me at your convenience.

Sincerely,

A handwritten signature in black ink, appearing to read "G. Lee".
